

PRAYERLETTER

Marghita, Romania
November 21, 2016

Dear intercessors,

“Finally, be strong in the Lord and in his mighty power.” Ephesians 6:10

An old computer can be slow and have defects. The battery runs down easily and the computer always needs to be connected to the mains. Sometimes we feel just like that but we are grateful that there is strength to receive from our Lord!

Thank you for your prayers for the work in Marghita!

We pray for protection over our children and young people, that they will be able to stand up against negative influences in school and society and that they will grow in their faith.

We pray for wisdom and strength for the leaders of FCE. We pray for blessings over contacts with the state, the city and partners we work with.

We pray for God’s blessing over a new project together with ERIKS international which will provide new opportunities for Roma people in Marghita to receive help to lift themselves out of their difficult situation.

We pray for our employees, for motivation and endurance.

We pray for our new employees, among others for the parents in two of the family homes.

We pray for the work in the Club. We pray for more leaders and that we will be able to take full advantage of the great place that Club is!

We pray for more volunteers in the fundraising foundation EFI Fadder in Sweden, especially with administration and media.

We pray for a person who could be responsible for media/IT in Marghita.

We continue to pray for healing and strength for the Ström family.

We thank God for all of you who faithfully stand with us in prayer and financial support.
